Early Fall Start (EFS), an elective program that runs from August 27–September 20, 2019, is designed to give freshmen an early start to the academic year. Students take one intensive four-week course prior to the beginning of the 2019–20 academic year and earn five credits. Students also participate in related academic and social events and may choose to live in the UW residence halls.

Residence hall housing is available to UW students registered for the EFS program. EFS housing will be located in Lander Hall and McCarty Hall.

EFS HOUSING APPLICATIONS OPEN ON MAY 2, 2019 AT 2PM

The EFS housing application deadline is June 9. Students applying before that date will have a better chance of being assigned to their preferred area and with their mutually requested roommate.

Eligibility for Campus Housing

Any student registered for EFS is eligible to live on campus during EFS. You are eligible for EFS housing even if you are not planning to live in on-campus housing during the 2019–20 academic year.

Please note: If you are not living on campus during the academic year you will need to check out of your EFS space by September 13, even though the EFS academic program runs through September 20. See page 14 for more information.

If you wish to cancel your housing application before moving in, you must do so via your MyHFS home page. (If you want to cancel for both EFS and the academic year, you must cancel each application separately.)

The charge increases as the beginning of the quarter approaches. Please review the agreement before cancelling.

Therefore, it is important that you plan your dining account spending accordingly.

If you will continue living on campus at the end of EFS: Unused dining account funds will carry over to autumn quarter.
Early Fall Start Housing Guide

BEFORE YOU ARRIVE

Here are a few helpful things to do before you arrive on campus:

- Contact your roommates to start planning
- Add hfsinfo@uw.edu and DeskServices@hfs.washington.edu to your email contacts
- Read our Resident Handbook. There is a lot to discover about living on campus, and you probably have questions that haven’t been answered here. If you don’t find what you’re looking for there, call us at 206-543-4059 or email us, and we’ll be happy to help!

Mail and Packages

While you are a resident on campus, you may have mail and packages delivered to you. These items will be delivered to your regional front desk and processed accordingly. To properly direct mail and packages, your items must be addressed correctly and include:

- Your name (your legal name or your preferred name)
- Your assigned room number
- The name of your residence hall

**Note:** Items without the above information will be delayed and may be returned to the sender.

Shipping Items Ahead of Time

Packages can be sent to your residence hall up to seven days prior to your scheduled move-in. These items will not be returned to the sender. You will receive a notification to your UW email from HFS Desk Services when your package is received by HFS Desk Services. Upon move-in, any packages that were not previously delivered to your room will be available for pickup at your regional front desk during EFS.

PACKAGE DELIVERY TO YOUR ROOM BEFORE YOU ARRIVE

Depending on package volume prior to EFS, HFS Desk Services may deliver some packages directly to the rooms of some incoming residents. Please be sure to check your room in case some of your packages were delivered there before coming to your regional front desk to retrieve packages.

Be aware that if packages are delivered to your room, they may be for any resident in your room. It is important that you check the shipping label and verify ownership before opening any packages delivered to your room. It is also important that you confirm that a package does not belong to any of your roommates before returning it to your regional front desk. Should you discover a package that has been delivered to your room in error, please return that item to your regional front desk for appropriate handling.
RECEIVING MAIL

Lander Hall Residents: Letter mail will be delivered to your mailbox, which is located near the Lander Desk. Mailboxes are assigned based on your room assignment. If you have roommates, you will share the mailbox.

McCarty Hall Residents: Letter mail will be sorted and stored at the Willow Desk. You will receive an email notification from HFS Desk Services when letter mail arrives for you. Once you receive the email from HFS Desk Services, please go to the Willow Desk to retrieve your item(s).

Ensure your correspondents know to address mail to you correctly with your name, residence hall name, and room number. Improperly addressed mail may be delayed or returned to the sender.

Please pass this information along to your friends and family: Do not send cash and gift cards via regular letter mail. It is advisable to send items of a valuable, sensitive or timely nature with a tracking number and insurance.

EFS Move-In is Saturday, August 24, 2019

Official move-in is 7:30 a.m.–4:30 p.m. You will find your one-hour move-in appointment with your assignment information. If you can’t move in during your assigned time, you may change your appointment, or you may move in during front desk hours.

Early arrival housing for EFS may be accommodated through our Conference Services Office. Housing availability is limited. Guest housing requests must be submitted at least seven days before arrival.

Are you attending First Year Programs’ advising and orientation session #16 on August 22–23, 2019? Please inquire about the First Year Programs-to-EFS housing package by Wednesday, August 7, 2018.

Check-In

**Husky Card:** Your UW student ID card (Husky Card) allows you access to your residence hall, dining facilities and amenity spaces. You will be asked to present it at check-in. You may check in by showing another form of photo ID; however, the Husky Card is your key card for access to your building. If you don’t receive your Husky Card before you move in, you will need to obtain one from the Husky Card Account & ID Center (Husky Card Office), located on the ground floor of Odegaard Undergraduate Library, Monday–Friday, 8 a.m.–5 p.m.

If you sent in your photo to the Husky Card Office prior to check-in, you may be able to receive your Husky Card at your regional front desk. Information about how to send a photo will be emailed to you during the summer.

If you do not have your Husky Card prior to check-in and have not sent in your photo to the Husky Card Office, you will receive a temporary building-access card and meal card to purchase food for the evening from your regional front desk. You must go to the Husky Card Office to obtain your Husky Card when they are open and return your meal card and building-access card to your regional front desk.

**Keys:** You will be given your room key and mailbox key (if applicable) when you check in. The keys are assigned to you uniquely; avoid switching keys with a roommate. Report lost or stolen keys to your regional front desk immediately. Once you have received your key(s), you may begin moving into your room. Note: Friends and family cannot check-in and receive keys on your behalf.

**Red Emergency Backpack:** New residents are provided with a red emergency backpack when they first check into their residential community. This comprehensive kit includes water, food rations and other emergency supplies. The contents will remain viable for several years. Please keep your red emergency backpack for as long as you live with us.

Arriving in a Taxi, Car Share or Shuttle

Go straight to your regional front desk. If you are coming to campus directly from Sea-Tac Airport, there are several transportation options. Please look at Sea-Tac Airport’s main transportation page to figure out the best way for you to travel.
Agreement Termination

If you will move out before the end of the EFS agreement period, please submit an Agreement Termination Notice prior to your vacate.

You are responsible for paying housing and dining charges for the entire EFS period even if you move out before the end of the agreement period. You will not receive a prorated refund for any charges.

Please review the following information carefully as you make your plans for moving out of the residence halls. If you have questions, please contact one of the following offices.

YOUR RESIDENTIAL LIFE OFFICE
- Room inspection
- Cleaning

HFS STUDENT SERVICES OFFICE
- Agreement Termination Notice
- Agreement termination charge
- Late notice charge
- Your agreement
- Priority retention

YOUR REGIONAL FRONT DESK
- Mail and packages
- Checking out of your room

Checkout Process
- You will be assigned a room inspection and checkout appointment on the day you are scheduled to move.

- Remove all personal belongings, thoroughly clean your room, and return all furniture to its original configuration and location. No personal possessions should be in the room when you check out.
- In addition to following the standard cleaning guidelines, roommates are responsible for cleaning their bathroom and the chalkboard wall surrounding their residence hall doorway. Any damage or cleaning charges for these areas will be divided equally among the roommates.
- Meet with a staff member at the appointed time for your room inspection and checkout appointment. You will be given a copy of your Room Condition Report to sign.
- Return your keys to your regional front desk after your room inspection. Failure to return keys and any temporary building-access cards by your checkout deadline will result in charges being placed on your account.

CARTS
To assist in your move-out, carts and vacuums will be available for temporary checkout during Finals Week. Times and locations of cart and vacuum checkout are different in many buildings. Check with your building’s Residential Life staff or your regional front desk to learn specific details. Carts for move-out are not available at the regional front desks.

UPDATE YOUR MAILING ADDRESS
Please update your mailing address online via MyUW on or before September 20, 2019. Failure to do so may result in items being delayed or returned to sender, or refunds being misdirected to an incorrect address. Mail will be forwarded for 180 days after you check out. You are encouraged to notify your correspondents of your new address to expedite the delivery of your mail.
Due to the way holidays and the UW academic calendar fall during 2019, the housing period for EFS is one week shorter than the EFS class schedule. This means that if you are planning to live off campus or in a different room after you finish EFS you will have to move out before your EFS class ends. The EFS program continues through Friday, September 20. Please plan accordingly.

Your transition process from EFS to autumn quarter will depend on a number of things. HFS will email you in early September with details about what you will need to do and when you need to do it. Here’s a snapshot to give you an idea of what to expect. We’ll give you lots more information after you move in.
HFS adheres to the UW's Reasonable Accommodation of Students with Disabilities policy, which is in compliance with Title II of the Americans with Disabilities Act (ADA) of 1990 as amended; the Rehabilitation Act of 1973 (P.L. 93-11) and 45 C.F.R. Part 84; Fair Housing Act of 1968 42 U.S.C. Sec. 3601 et seq., Chapter 49.60 RCW; and Chapter 28B.10 RCW.

Students with individual accommodation, accessibility or dietary needs will follow the same housing application process as all students who apply for UW housing.

If the disability or need requires some accommodation (e.g., accessible shower, visual fire alarm, single room, therapy animal) in order to create equal access to the living facility and/or program, the student will then register with Disability Resources for Students (DRS) and provide documentation to support the accommodation request. DRS will review the documentation provided and determine what accommodations are reasonable for HFS to provide. Information about housing assistance provided by DRS is available at Disability Resources for Students—Housing. DRS can be contacted at 206-543-8924 (V)/206-543-8925 (TTY) or uwdrs@u.washington.edu.

Requests for housing accommodation received by DRS after the deadline will be accepted and processed, and, if approved, DRS will notify the HFS Student Services Office in writing of any approved housing accommodation. Late requests will be accommodated as soon as space becomes available, but there is no guarantee that the accommodation will be provided for the requested quarter.

Students with disabilities desiring to return to live on campus who were approved for housing accommodation on a temporary rather than permanent basis must notify DRS of their need for continued accommodation by the below housing accommodation deadline for returning student requests. DRS will review the documentation of the disability on file and the student's requested accommodation to determine if the need for housing accommodation is still necessary. DRS will notify the HFS Student Services Office in writing of any approved housing accommodation. The deadlines noted below apply to the deadline in which DRS must formally notify HFS of approved accommodations. DRS may require up to three months advance notice to review accommodation needs, so please contact them just as soon as you possibly can.

### Special Dietary Needs

UW Dining provides many options in our venues for customers who choose to eat a vegetarian or vegan diet. More importantly, we strive to ensure that residents with any special dietary needs are able to dine safely in our facilities. If you have any challenges navigating our menu offerings, or are in need of additional support, please schedule a dining consultation with our UW Dining Wellness Specialist, Joyce Bumgarner, at joyceb@uw.edu or 206-221-0516.

Please note: Having a special dietary need does not waive the dining account requirement for residence hall residents.
Please complete this form, (write large and legibly), and place it on your vehicle dashboard for the duration of the move-in process.

Have one person stay with your vehicle at all times.

Thank you!
