4. The University and I intend for this Agreement to constitute a license for the use of a Room and Apartment in a 12-Month Apartment as assigned by HFS, and further intend that this Agreement will not constitute a lease and will not create or transfer an interest in or a lien upon real estate. The relationship created by this Agreement between the University and me is that of licensor and licensee, not that of landlord and tenant. My use and occupancy is being provided incidental to the provision of educational services by the University.

5. I may not transfer or assign this Agreement, or the right to occupy my assigned Room, or any other rights or benefits granted hereunder, to another person except as authorized by HFS as stated in Section 16.

9. My primary cell number will be provided to the University for use by the emergency alert system. For more information visit the UW Alerts webpage.

10. My failure to comply with any term of this Agreement shall be grounds for the University to declare me in breach of this Agreement and require that I Check out of University Housing, and may result in other action against me by the University including, but not limited to, disciplinary action, Termination of this Agreement, future ineligibility to reside in University Housing, and collection of outstanding debt and recovery of collection agency fees as stated in Section 13.19.6.
11. *HFS* will not disclose information relating to my student record, housing account, application, and assignment information as required by state and federal law, including but not limited to FERPA, except as stated in Section 7.5 and Section 18.7. I may authorize the release of information at myhfs.housing.uw.edu.

I am required to comply with health and safety laws, orders, ordinances, regulations and health and safety guidance adopted by the University or HFS as it relates to public health crises including COVID. This guidance will evolve as the public health crisis evolves and may include, but is not limited to, social and physical distancing, limitations on gatherings, wearing a face covering, COVID diagnostic and surveillance testing (including before or upon arrival to campus), contact tracing, disinfection protocols, limitations on guests into University Housing, and quarantine/isolation requirements (including before or upon arrival to campus). Adherence to health and safety requirements applies to all residents, staff and visitors and extends to all areas of University Housing including Rooms, Apartments, bathrooms, community kitchens, lounges, study rooms, courtyards, Common Areas, dining facilities, and other communal spaces. Some areas of University Housing may have different requirements than others. Requirements relevant to each area will be provided to residents as necessary.

17. I must verify that I understand how the Agreement has been, or might be, impacted by different scenarios related to COVID-19 or similar public health crisis.

18. The University shall have the right without notice to transfer and/or assign, in whole or in part, its rights and obligations under this Agreement. To the extent that the assignee assumes the obligations of HFS under this Agreement, the University shall thereupon and without further Agreement be released of all liability under this Agreement.

19. This Agreement may be amended with a 30-day notice by the University during the term of this Agreement.

2. If after submitting this Agreement and my housing application I am arrested for, convicted of, or found to have committed a sex offense; enter a deferred adjudication agreement relating to or am placed under active supervision by any state, territory or foreign country relating to a sex offense; or am required to register as a sex offender; I will inform HFS of my offense in writing at hfsinfo@uw.edu within 24 hours. HFS has the discretion to require that I Check out within 24 hours of said notification unless HFS provides me with written permission to remain in University Housing. Even if I am given written permission to remain in University Housing, HFS retains the ability to change that determination and require I Check out as additional information is obtained.
