## THINGS TO BRING

Guests are advised to bring an alarm clock, lounge wear (appropriate for common living areas), shower slippers, and an umbrella and/or raincoat. Seattle summer weather is generally mild, with temperatures averaging 70–80° F. Heat waves do occur periodically and campus buildings, including the residence halls, are not air-conditioned. Be prepared for cooler evenings and occasional rain showers. For those who prefer to bring their own linens and towels, *choosing a color other than white or beige* helps housekeeping to identify personal items.

A room key, a conference card and a key fob are issued to each guest at check-in. If a room key is not returned to the Conference Desk, a lock change will occur immediately, and the guest will incur significant lock replacement charges, (plus tax). Guests should not leave keys in their vacated rooms, but should instead return keys to the Conference Desk. If keys are discovered in the guest's room following replacement, the guest will remain financially responsible for all fees associated with the lock change. Lost conference cards may be replaced at the Conference Desks on Monday–Friday from 8 a.m.–5 p.m. A lost card replacement fee (plus tax) will be collected at that time.
